CV content description

Having worked in a wide range of services companies for more than nine years in both sales management and high level of customer services, I believe that my combination of professional experience and education as well as my understanding of taking on key leadership skills, proactivity, solutions-minded , superior judgment, decision-making abilities and speaking fluently three languages, has given me valuable insight and makes me a well-qualified candidate. In my present role as a sales manager I have had experience in recruiting, developing and mentoring strong focused and creative teams. I possess solid management skills, sound creative and strategic sales skills and satisfying objectives in a collaborative manner.
